

Practice Managers Professional Network

For primary care practice managers

Northern Queensland Primary Health Network (NQPHN) invites practice managers from across the Cairns and Hinterland region to attend our Professional Networking meeting for a special presentation from Services Australia's Medicare Engagement Team.

This event will provide practice managers a valuable opportunity to engage with guest speakers, build professional connections, collaborate, and learn from others.

NQPHN encourages attendance as the event allows you to discuss how we can support practice managers and frontline staff.

This is a free event; however, registrations are essential.

Lunch, tea, and coffee will be provided.
