

IRONLIVE

WEBINAR + INVITATION

Iron Deficiency: Clinical Case Conundrums in high risk patient populations

Thursday 23 November 2023
7.30pm - 8.30pm AEDT

In recognition of Iron Deficiency Day and as part of the **CSL Seqirus Iron Live educational meeting series**, we are pleased to invite you to attend and participate in a multidisciplinary livestream webinar with speakers, **Associate Professor Ralph Audehm, Dr Lisa Clarke** and **Professor Andrew Sindone**. During the interactive meeting a number of confounding cases will be discussed and speakers will provide practical clinical insights relevant for healthcare professionals at the forefront of managing patients with iron deficiency during their daily practice.

Ample time will be available for your questions to be addressed. We look forward to you joining the meeting.
