We're proud to be a RACGP CPD Provider in the 2023–25 Triennium.
RACGP CPD Educational Activities hours pending approval.

The Royal Brisbane and Women's Hospital (RBWH) Cancer Care Team warmly invites general practitioners to participate in an engaging and interactive Haematology and Oncology Preceptorship, convened by Dr. Anna Kuchel. As Queensland's largest Cancer Care Service, the RBWH unites a team of multidisciplinary experts dedicated to providing optimal patient care as well as offering advancements in cancer treatment through clinical trials and research.

This case-based educational day is crafted to promote, collaboration among healthcare providers, strengthen support, and enhance care for patients with haematological and oncological conditions.

Program includes:

- Haematology
- Medical Oncology
- Radiation Oncology
- Small group interactive sessions
- Guided tour of cancer care services
