

Aged Care and Primary Health: Understanding reforms, challenges, and best practice

Join Northern Queensland Primary Health Network (NQPHN) for an education session designed to equip General Practices and Aboriginal Medical Services (AMS) staff with essential knowledge and tools to provide optimal care for residents in Residential Aged Care.

This session will explore:

- clinical care in Aged Care from a Geriatricians perspective
- perspectives from a GP working in Aged Care
- health reforms and general practice

A two-course meal will be provided as part of this workshop.

For catering purposes, please register your attendance by **12pm, Tuesday 13 May 2025**.
