

Grant and tender writing essentials workshop

For general practices

Expression
of Interest

North Queensland general practices are invited to express their interest in an upcoming interactive workshop to enhance their grant and tender writing skills.

Led by Laura Terry from Healthcare Business Solutions, this workshop will equip participants with essential knowledge, resources, and tools to strengthen their ability to prepare and submit competitive, funding-compliant applications.

Prerequisite learning and preparation will need to be completed before the session to maximise learning outcomes. This will ensure a fully engaging experience and the workshop's benefits.

Details of the required pre-work will be shared in advance of the sessions.

Don't miss this opportunity to improve your skills and increase your success in securing funding!

Workshops will be delivered in person, and limited places are available. Expressions of interest close **4pm, Wednesday 14 May 2025.**
