

# Nursing Professional Development Opportunities

EOI for primary care practice nurses

Northern Queensland Primary Health Network and Benchmark Group invite nurses working in primary care practices across the northern Queensland region to express their interest in a series of professional development topics and workshops.

The content presented in workshops will focus on strengthening skills, expanding knowledge, and supporting ongoing professional development for nursing staff.

For more information on Benchmark Group's available courses, please visit [www.benchmarkgroup.com.au/all-courses](http://www.benchmarkgroup.com.au/all-courses)

**Please note:** Workshop topics and locations will be determined based on expressions of interest, and not all content may be available in every region.

Expressions of interest close **4pm, Friday 23 May 2025.**
