SUNDAY 15TH OCTOBER 2016

THE TEAM APPROACH TO LOW BACK PAIN

Join the SpinePlus team for a day of discussion about the leading cause of disability in Australia.

This interactive education day will provide you with new ways of thinking about back pain and strategies to deal with your patients. The day will include some short, practical presentations followed by small group sessions where you will have the opportunity to discuss practical aspects of low back pain management with the SpinePlus specialists.
