INVITE TO GENERAL PRACTITIONERS

Education on Pain Management

NQPHN in partnership with NQ Persistent Pain Management Service presents a workshop for Primary Care Providers to improve the skill mix of attendees with respect to the assessment and management of patients they see with persistent pain.

How to refer, and to whom and what happens within a tertiary Pain Management Centre.

Saturday 8th October 2016
9:00 am (Registration at 8:30 am)
Pullman International Hotel Cairns
17 Abbott St, Cairns City QLD 4870

Learning Outcomes
• A better understanding of assessing and treating various complex chronic pain conditions
• When to refer and what therapy to direct your Allied Health Team to when doing a GP care plan
• Chronic Pain Medications - opioids, opioid rotations, equianalgesic values and other medications
• Case examples and discussions.
