Dear Colleagues,

The 3rd World Congress of Clinical Lipidology to be hosted in the beautiful city of Brisbane, Australia will build on the success of the previous conferences hosted in Budapest and Vienna. The conference is aimed at health care professionals, who would like to increase their knowledge in lipid disorders.

Conference attendees will gain unique and powerful insights into the latest research, developments and treatments. Leading clinicians from around the world will contribute to a cutting edge program and hands on workshops.

On behalf of the organizing committee I would like to welcome you to the 3rd World Congress of Clinical Lipidology in Brisbane, Australia from February 10-12, 2017.

Yours sincerely,

Assoc. Prof. K. Kostner
Chair of the Organizing Committee
