ABOUT OUR SPEAKER

Dr Khaldoon (Khal) AlSaee is a Psychiatrist and Specialist Pain Medicine Physician. Dr AlSaee completed his medical degree at the Royal College of Surgeons in Dublin, Ireland. In 2009 he moved to Townsville and completed his Psychiatry training, becoming a Fellow of the Royal Australian & New Zealand College of Psychiatrists. He subspecialises in Addiction Psychiatry. Additionally, he completed training in Pain Medicine through the North Queensland Persistent Pain Management Service (NQPPMS) and is a Fellow of the Faculty of Pain Medicine; Australian & New Zealand College of Anaesthetists.

Dr AlSaee is a Director and Specialist at the LiveWell Health Care Group, Townsville’s only private multidisciplinary acute injury and chronic pain service, which is located at Townsville Private Clinic. He is involved in teaching, supervision and training of medical students, trainee specialists, and other health professionals in Psychiatry, Fibromyalgia and Pain Medicine in North Queensland. Dr AlSaee treats fibromyalgia patients from both, a multidisciplinary and a medical perspective and has first-hand experience with milnacipran.
