Alfred St Mackay

Deadline for registration is Tue 1 August.

$15 Diabetes Queensland members
$25 non members

Diabetes Queensland
National Diabetes Services Scheme
TYPE 2 DIABETES EVENT
Mackay 2017 SPEAKERS

Dr Konrad Kangru
Dr Konrad Kangru is a Rural GP in Proserpine, North Queensland and the current President of the Rural Doctors Association of Queensland. He has a special interest in the area of diabetes care and will share with you some practical strategies on how you can prevent or delay diabetes-related complications.

Steve Flint
Steve Flint is an accredited practising dietitian working in the Diabetes Queensland health team. Steve has a passion for promoting good health and wellbeing. He believes that what you eat doesn't have to be complex. In his presentation, love food and eat well, he will strip back the layers and go back to the basics.
