NDIS PROVIDER INFORMATION 101 SESSION - CAIRNS

ndis.gov.au
Description

The National Disability Insurance Scheme is holding the first of three comprehensive information sessions for providers in the Cairns area on January 30.

This first session features practical advice for providers on becoming a registered provider, things to consider, where to start, understanding the provider registration process and learning about new service and business development opportunities. This session will be delivered by experienced NDIS North Queensland staff.

The session will cover:

• NDIS overview and update
• Transition tips and tricks
• How to become an NDIS registered provider
• How to navigate the provider toolkit
• Suitability to be a registered provider
• Quality and Safeguards
• Price Guide

Who should attend?
Anyone looking to operate as a provider under the NDIS.
