How to connect with Northern Queensland Primary Health Network (NQPHN)

Our offices

Visit us!
NQPHN has three offices across its region. Give us a call to organise a time to come in and say hi!

- Cairns
  (07) 4034 0300
  Level 3, 36 Shields Street
  Cairns, Qld 4870

- Townsville
  (07) 4796 0400
  Building 500, Level 3
  1 James Cook Drive
  Douglas, Qld 4811

- Mackay
  (07) 4963 4400
  Level 1, Post Office Square
  67-69 Sydney Street
  Mackay, Qld 4740

Online

www.primaryhealth.com.au
NQPHN’s website has lots of resources for service providers and event information, and is constantly being updated with new information.
Visit: www.primaryhealth.com.au
Email: hello@primaryhealth.com.au

Tenders and funding

Service providers can keep up to date with our latest tenders and funding opportunities by registering through our eTendering Portal. Through this portal, you will be alerted when any relevant NQPHN tenders become available.
Visit our website for more information.

eNewsletters

Subscribe today!
NQPHN distributes various enewsletters every month, including health alerts from HHSs. Some of these include:

- NQ Primary Health Update is a fortnightly newsletter covering the latest primary health news from across the NQPHN region, including upcoming education and events, job vacancies, and tenders.
  Subscribe here

- NQPHN Event Snapshot is a fortnightly, region-specific list of upcoming workforce development, education, and training events. Click on a location below to subscribe to events in your region.
  Cairns | Townsville | Mackay

- Healthy Choices is a monthly guide of the latest resources, tools, blogs, and training to support individuals, workplaces, schools, and communities to improve health and wellbeing across NQ.
