GP Education Session

Diabetes & Endocrinology

The Cairns and Hinterland Hospital and Health Service Clinical Council in partnership with NQ PHN and FNQ HealthPathways would like to invite GPs to our next education event.

This interactive session aims to provide responses to conditions GPs are being presented with in the community and rural areas.

The Education event will be to provide insight in the assessment, treatment, management protocols and referral options associated with Endocrinology and Diabetes including new oral and injectables, Osteoporosis Mx, Low vs High Carb diets and criteria for triaging to the CDC.

Date: Thursday 24 May 2018
Time: 6.30pm – 8.30pm
Venue: Cairns Hospital Education Room 10
Level 4, A Block
Presenter: Dr Ashim Sinha, Clinical Director Medicine
